# Landscape Design

Berg's Nursery and Landscape, LLC creates custom landscape designs unique to your outdoor living area. Stop in to Berg's or call us today to set up an appointment with one of our certified landscape designers. A designer will meet you on-site to assess your landscaping needs and wants. Then, a landscape design will be created just for you!

*Did you know that landscaping could dramatically increase your home value?* Berg's Nursery and Landscape, LLC has experience in designing and installing many different types of landscape projects. Berg's Nursery's Landscape crew can fix your home foundation issues, plant eye-catching gardens, create ponds and

outdoor water features, install patios and retaining walls, and even lay paver-stone sidewalks and steps. Berg's crew can also install outdoor kitchens, fully equipped with a grill, sink, refrigerator, or whatever else you may need. Berg's can install outdoor fireplaces and fire pits as well!
